Equipment & more since 1858

End-to-End Solutions. Unmatched Value.

With over 100 branches nationwide, Wajax is one of Canada's most diversified industrial products and service providers. Our experts are always nearby to deliver the right equipment and solutions for your unique needs.

Comprehensive Maintenance & Repairs

From preventative maintenance to major overhauls, our factory-trained technicians keep your equipment performing at its best. Service plans are available for both new and used equipment.

SALES (NEW AND USED)

Whether moving pallets, cargo, or people, our wide range of material handling equipment, new and used, gets the job done. Proudly partnered with industry-leading brands.

PARTS (ALL MAKES & MODELS)

Stay up and running with our extensive inventory of parts for all makes and models. Our centralized fulfillment ensures fast, cost-effective delivery.

RENTALS

Ready when you need them—pre-inspected and fully maintained by factory-trained technicians.

WAREHOUSE SOLUTIONS

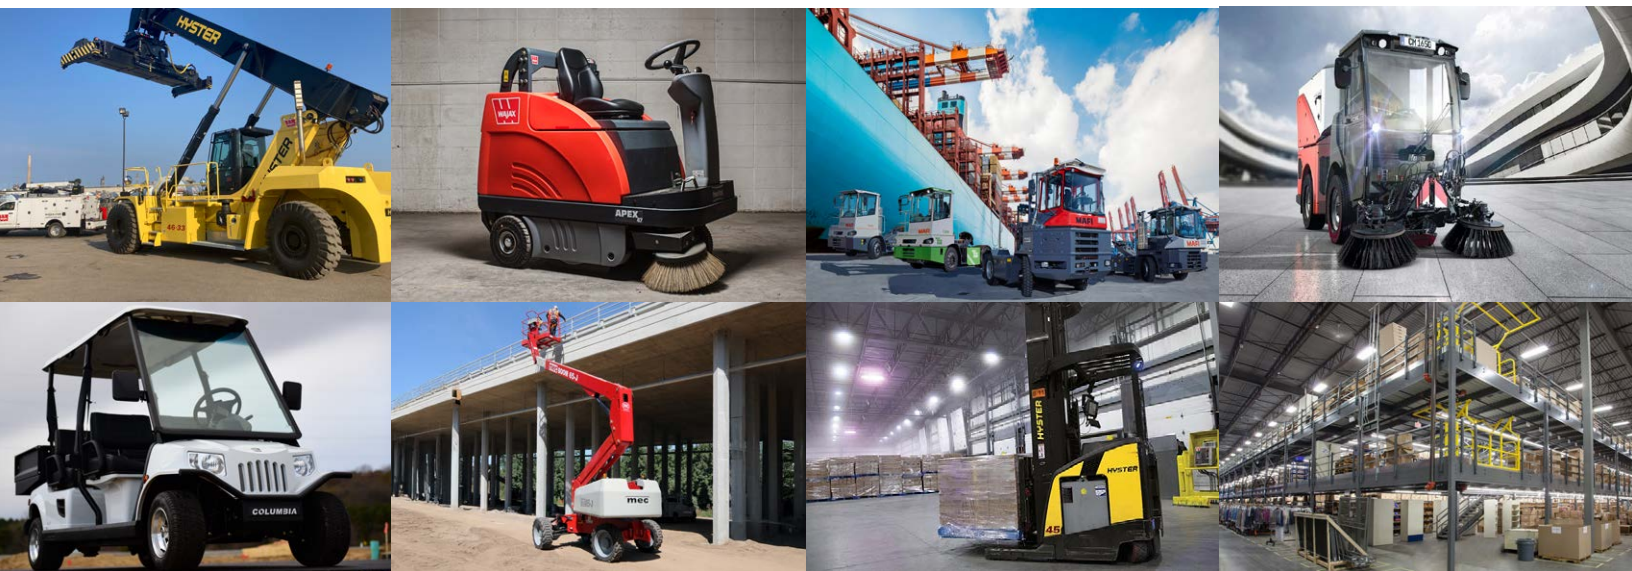

Optimize efficiency with complete warehouse solutions: design, supply, and installation of racking, storage platforms, barriers, cages, and partitions.

EMERGING TECHNOLOGIES

Future-proof your operations with innovations like lithium-ion power, fleet management and telematics, automated guided vehicles, and more.

SAFETY PRODUCTS

Protect your people, equipment, and facility with Wajax's comprehensive range of safety products. From PPE and warehouse barriers to advanced technologies like pedestrian detection systems and collision avoidance, we help you create a safer, more efficient work environment.
